Rhoda Lottamiles

Rhoda Lottamiles

OCCUPATION

BIKE MESSENGER

DESCRIPTION

Speed is her middle name. A bike messenger from Cedar Rapids, Iowa, Rhoda guarantees one-day service anywhere in the Great Plains (extra charge for flash flood zones and tornado alerts). This blonde bomber caught Carmen's attention the day she pulled off a job on the banks of the Rio Grande and arrived in Topeka, Kansas by noon. Unfortunately Rhoda had forgotten to buckle her saddle bags and left the loot scattered up and down Interstate 35. The green-eyed pedal queen is known to zip up to the wilds of Maine on her day off to deliver toupees to bald eagles. Among Rhoda's idols are ace pilot Chuck Yeager, tennis legend Billie Jean King, and Ukranian skateboard champ Igor "Eat My Dust" Takinov.
